## ManUp"40" Inc.

The number "40" has many biblical and symbolic meanings. We at ManUp40 Inc. have taken the number 40 and is making it our target age for our male youths. We believe by the age of 40, one should be able to look back over their lives and be pleased with what they see. In order for this to happen, we at ManUp40 Inc. will focus on helping develop and strengthen our male youths in several different areas of life.

## Personal Background

*I was recently blessed to see my 40th birthday. So I took the time to look back over my life and I THANK GOD for all the things he has brought me through. I've realized that no matter how hard I thought my childhood was, GOD has a special plan for my adulthood. He has blessed me with a beautiful wife, of over 18yrs; along with two wonderful children; a son and a daughter.*

*I feel that my life and experiences can be a guide to some of today's youth. I feel that GOD has put all of us here for a reason and a purpose. We should spend our days trying to find out our reason and our purpose for being here.*

*I know now that I have found my reason and my purpose.*
